HELLO, I'M BHARTI

A passionate and creative graphic designer with over 4 years of experience in the industry. I specialize in creating visually compelling designs that tell a story and effectively communicate a brand's message. Whether it's for print, web, or digital platforms, I bring my strong design sense, attention to detail, and problem-solving skills to every project.

Throughout my career, I've had the privilege of working with diverse clients across various industries, helping them bring their vision to life through thoughtful design. My expertise includes logo design, branding, print materials, web design, and social media graphics. I'm proficient in industry-standard software like Adobe Creative Suite, and I'm always learning new tools and techniques to keep my designs fresh and innovative.

EXPERIENCE

ALLIANCE GRANITE LTD.

CNC Operator | Edmonton, AB

NOV 2020 - MAY 2024

- Consulted with clients about their design and material requirements for the countertops.
- Created 2D drawings of countertops by sketching and then finalizing the sketches using CAD software Rihno3D that visually depicts design ideas.
- Managed each and every project, from graphic layout drafting to final product cutting.
- Operated the stone cutting machine(CNC) and ensured to provide 100% accuracy in the final product.

CAREER BREAK

Maternity Leave

SEP 2021 - DEC 2023

- Took time off for maternity leave during back-to-back pregnancies. Focused on family and personal development during this period.
- During this break, I developed strong time-management, organizational, and multitasking skills as I balanced the demands of caring for my growing family.

RAINBOW PRINT & SIGN LTD.

Graphic Designer | Edmonton, AB

JUN 2017 - OCT 2020

- Efficiently understood work by discussing with clients regarding graphic elements, information to be displayed, design quantity and project materials.
- Designed sketches, basic layouts, and graphic element arrangement, typography, and associated aesthetic principles were used to illustrate concepts.
- Smoothly managed to work under pressure and effectively coordinated between multiple projects with 100% accuracy.
- Dedicated my all effort to the team's work, delivering the expected results ahead of schedule on every project.

SMARTDATA ENTERPRISES

Software Trainee | Mohali, India

JUL 2011 - SEP 2011

- Assisted in designing and developing the web software.
- Implemented an influential prototype of medicine search engine in major project.
- Created databases from simple to complex ones.

ALPHA NET TECCHNOLOGIES PVT. LTD.

Software Trainee | Chandigarh, India

AUG 2011 - DEC 2010

- Successfully got certification in ASP.NET.
- Learned developing concepts efficiently from the basic to core level.
- Worked on the linking between back-end and front-end of the software.
